our town — daily life, love and marriage, death . . .

ACT I "The Daily Life"

The author genially outlines the history of the town which is Grover's Corners, New Hampshire, and tells something of its citizens. Then he carries the audience into the houses of the Gibbs and Webb families, substantial homes containing substantial folks. Arriving at breakfast time, the audience is carried through one entire day in the lives of these good people.

ACT II "Love and Marriage"

The second act concerns the love affair of young George Gibbs and Emily Webb and thus culminates in a moving wedding scene which contains all those ele-

ments of poignant sorrow and abundant happiness that make for solemnity and impressiveness.

ACT III "Death: The Cemetery"

In the third act, the audience is led to the cemetery on the hill where many of the townspeople are patiently and smilingly awaiting not "judgment" but greater understanding. Into their midst is led the bride, wishful to go back to life, to live again with her memories. But she is shown how impossible, how futile it is to return. The past cannot be re-lived. Living people, humans occupied with their petty occupations and small thoughts, know little of true joy or happiness. Truth is to be found only in the future.

The Lakota Athletic Department is proud of its many active programs which have been most successful under the directorship of Mr. James Hartman, Athletic Director (top) and Mr. Jim Woodrey, Assistant Athletic Director (below). Interscholastic and intramural sports provide students with facilities for maintaining healthy bodies and a necessary relaxation from academic studies. The 1977 edition of the Varsity Football Thunderbirds ended the season with a final record of 5-4-1. Despite a somewhat average record, the season had many high points, such as the 13-0 shutout of Hamilton Taft, knocking Middletown Fenwick out of the playoffs, and a thrilling come from behind salvage of the Fairfield game. The season was also marked by unparalleled enthusiasm by both players and student body. This support was very evident in fact that every existing home attendance record was broken. Spectators and visiting teams were equally impressed with the newly renovated Lakota Sports facility. The Lakota Fall Football banquet saw awards to the following young men: Best Offensive lineman — Todd Henrich, Best offensive back — Daryl Martin, Best Defensive lineman — Joe Davidson, Best defensive back — Bob Choate, MVP — Tom Proud, Scout Team

Award — Mark Gregory and George Ghizas, Thunderbird Award — Mark Busam, and the Most Tackles — Cary Henry. A tip of the hat to the following seniors for a job well-done: Ted Howse, Todd Henrich, Tom Proud, Jim Williams, Bob Choate, Lee Gagyi, Mike Gims, Tim Nixon, Mike Adleta, Jeff Wagner, Joe Davidson, Daryl Martin, Steve McDonald, Ted Osner, Steve Glass, Kyle Bell, Dan Dowers, and Mark Busam. Additionally, two of these young men have received the opportunity to play football on the collegiate level — Tom Proud Morehead State University and Ted Howse — University of Dayton. There are bright prospects on Lakota's Football horizons, the reserve team finished 6-2-1 and second in the league, while the Freshmen team finished 6-1 and won the Mid Miami League.

The Lakota Freshman Football Team finished their football season this year with an exciting 18-14 win over the Madison Mohawks. With this victory the T-Birds can boast of an excellent 6-0 record in the Mid Miami League, making them deserving of the freshman league title.

Offensively, running backs Mark Chandler and Paul Marshall led the Lakota ground attack by registering one touchdown run a piece. Running back Marlin Graden also performed well with important gains for the T-Birds. Quarterback Dave Luttrell also contributed a touchdown run of his own while passing to wide receiver Chip Chambers for the final score of the afternoon. Paul Marshall added two conversion runs to round out the Lakota scoring. Les Rogers and Dave Helsinger each had key pass receptions as well. Again, the offensive line did a fine job in providing running room for the offensive backs. The combination of Dave Helsinger, Greg Lovins, Randy Kobman, Doug Certain, Mark White, Tom Sorrells, Lon Shuford, and Mike Isaacs sparked the offensive line play.

Paul Marshall, Dave Helsinger, Lon Shuford, and

Randy Kobman were standouts on the T-Bird defense, each supplying important defensive stops. Defensive end Greg Lovins successfully knocked down an ariel of the Mohawks while Bryan Gilmartin and Shawn Houck recovered one fumble each. Tom Sorrells, Marlin Graden, Stu Fry, Mark Chandler, Paul Marshall, and Jerry Mee rounded out the Lakota defense.

Mike Stewart served as the student — manager for the Freshman team.

The coaching staff consisted of Head Freshman Coach Ed Pottenger and Assistant Freshman Coaches Mike Moore and Jason Lindsey.

The members of both the freshman football team and the coaching staff would like to express their appreciation to everyone who attended the freshman games and supported the freshman football program. Thanks to them, this was one of the most successful Lakota freshman football seasons in the school's history.

Congratulations freshmen for a fine season!

GIRLS VOLLEYBALL

The Lakota girls varsity volleyball team finished the season with an overall record of 7-6. They fell to Northwest Saturday in a sectional tournament game. The girls lost to Northwest last year and were unable to handle them again this year. Lakota won the first out of three games but then fell apart under a very offensive Northwest attack.

This year's boys Varsity Soccer team, under head coach, Mr. Larry Sullivan and assistant coach Mr. Bob Dalton has completed another winning season with a 9-7 record going into the tournament game against Finneytown. With the loss of last years standout, Randy Sutton, co-captains Kirk Ball and Jim Helsinger had to lead the team. With the tournament games at hand, the team is sparked by Doug Perrigo's 15 goals, including a 3 goal performance against Fairfield. Bruce Pellegra has 8 goals followed

by Rick Sutton's 7 netters. Co-captain Kirk Ball has 5 goals with Bill Butler following with two. The team is also sparked by an exchange student from Denmark and Mexico. Lois Ramos helps the team in their final 2 games. Lars Hansen not only gives Lakota his talent but also helped out in the scoring with 7 goals. John Blackwell finishes the scoring with his goal coming against Sycamore. With a young team which is growing with experience, who knows what next year's team will do.

— proves successful with record of 6-3-1

The premier season for the girls soccer team at Lakota proved to be a tremendous success in many ways. In spite of a very difficult schedule for a first year team, the girls responded with a winning season that posted six wins, only three losses and one tie. Upon closer examination, the season looks even better knowing that two of the three losses were to city champion Princeton, while the only other defeat was at the hands of up-state champion, Columbus Worthington. No other team in this area was able to defeat the lady T-Birds. Coach Gary Buehler, after several seasons of coaching boys soccer successfully, turned to the girls and turned his system into the talent that scored 38 goals while allowing their opponents just 20. This included five shut-

out victories by goalie Lori Stephens. Captain Maria McQuillan and Assistant Captain Kim Miracle led a team consisting primarily of underclassmen through the hard work that established a close knit, disciplined group. The team's determination and organization made them a winner. The winning tradition established this year by these girls makes the future of girls soccer at Lakota look very bright! Individual honors were won by the following girls: **MOST VALUABLE PLAYER:** Lori Stephens, **OFFENSIVE PLAYER OF THE YEAR:** Holly McQuillan, **DEFENSIVE PLAYER OF THE YEAR:** Nancy Hetzel, **MOST IMPROVED PLAYER:** Karen Doerbaum.

golf team strokes to victory

The 1977-78 Varsity Golf Team was not expected to be strong with only one senior letterman returning from last year's team which had a 24-4 record (best in the school's history). However, after struggling along with an 11-8 record through 2/3 of the season, the team pulled together and won nine out of the last ten matches to finish with a fine 20-9 record. A high-light of the season was a win over Elder, who was winner of the GCL. The team was led by senior Steve Harmon who was named MVP at the season end. Steve also was selected first team all Mid-Miami League and second team All Southwestern Ohio. Other members of the varsity were senior Lou Coury, junior Ted Tracy, and super-sophs Gavin McIntyre and Charles McConnell. The reserve team finished the year with a

respectable 3-2 record. Team members were juniors Galen Nelson and Bruce Amrein. Sophomore, Larry Coury and freshman Jon McIntyre.

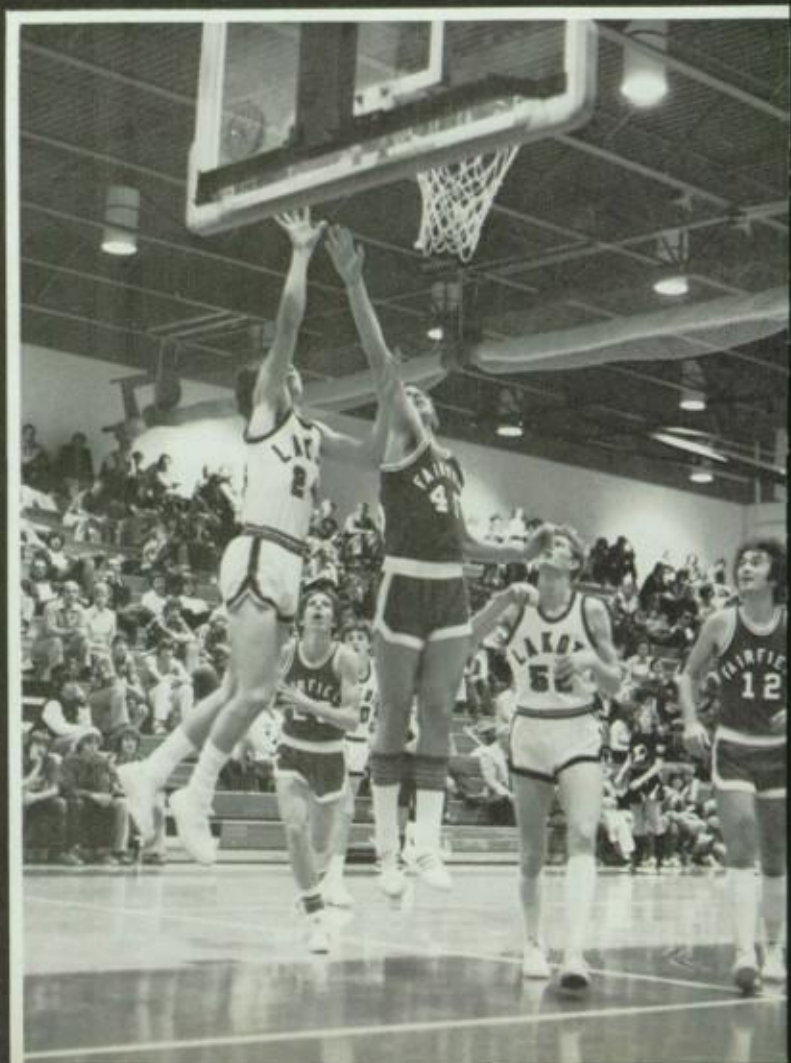

The Lakota golf team finished its season 20-9 and improved its status in the Mid Miami League to fourth place after play last week.

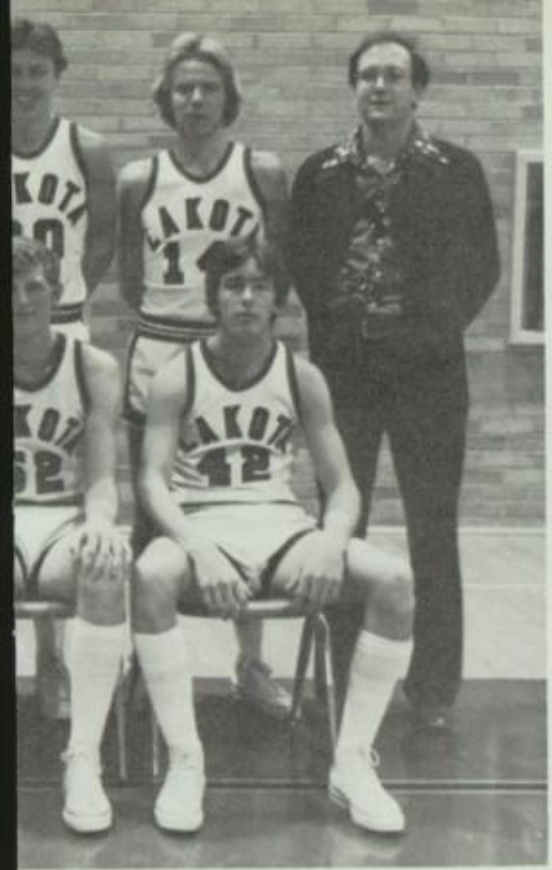

The T-Birds finished the season league matches against Edgewood 173-186, Madison 173-177 and Fenwick 169-187. A loss to Talawanda, 144-159, put their league record at 8-6.

Steve Harmon was medalist, with a 39, in matches against Madison and Edgewood. He shot a 38 at Talawanda, low man for the T-Birds. The Braves Jim Tennant a state qualifier was medalist with a 33.

Gavin McIntyre was medalist against Fenwick.

Varsity Basketball

The Varsity Basketball Team finished the 1977-78 season in second place behind Franklin in the Mid-Miami League. We finished with a 9-9 overall record. The T-Birds games were decided in the last minute all season. Four games went into overtime: Garfield, Middletown, Monroe, and Oak Hills. Only 4 games all season were won or lost by more than 10 points. Victories over Lebanon, ending their 43 game win streak, Taft, our first victory over them ever, Fairfield, Garfield, and Monroe highlighted the season. This year's team set school records in field Goal percentage — 46.0% and in free throw percentage — 71.0%. Seniors Randy Smith, Eric Brown, and Glenn Chasteen will be sorely missed next season. However, Jeff Schlensker, Mike Terwilleger, Terry Robinson, Tom Crist, Glenn Brockman, Mitch Bertram, and Steve Weddle will return as Lettermen.

The Reserve Basketball team ended the season with an 8-9 record. Highlights of the season were big wins over Lebanon, Madison, and Fenwick plus a first ever win over Hamilton Taft. Improvement during the year was evident, with wins in four of the last five games. The number one weakness was inconsistency in putting the ball through the basket. This lack of consistency

resulted in close losses to Fairfield, Talawanda, Mt. Healthy, and Middletown in overtime in which the T-Birds were 0 for 8 from the free throw line. The moment to remember for the entire year was in the season finale with Fenwick. With Steve Weddle scoring 21 points and Gary Castner making key steals, the game was tied when Joe Stoken made a half court shot as time ran out!! George Jenkins led the team in total points and

rebounds followed by Steve Weddle who doubled with reserve and varsity duty. Neil Craig led in assists and recoveries as well as directing the team as captain and floor leader. Joe Stoken and Mike Lambertson led in free throw percentage, 80% and 78% respectively. Gary Castner was the most improved in the 2nd part of the season. As a team, the reserves shot 38% from the field and 54% from the free throw line.

The Freshman Basketball Team completed a highly successful season with an 11-5 record. The team finished as Co-Champions of the Mid Miami League and finished as runner-up in the nine team Lebanon Freshman Tournament. The team was blessed with height, quickness, and in general, good overall ability. These ingredients some day should add up to a championship Lakota Varsity if the players dedicate themselves to accomplishing this goal. The Freshman "B" team, which consisted of the boys on the team that did not play a great deal in other games, finished their season with an excellent 3-0 record. These particular players showed tremendous hustle, determination, and togetherness in their victories. All in all, the future for Lakota basketball looks very bright.

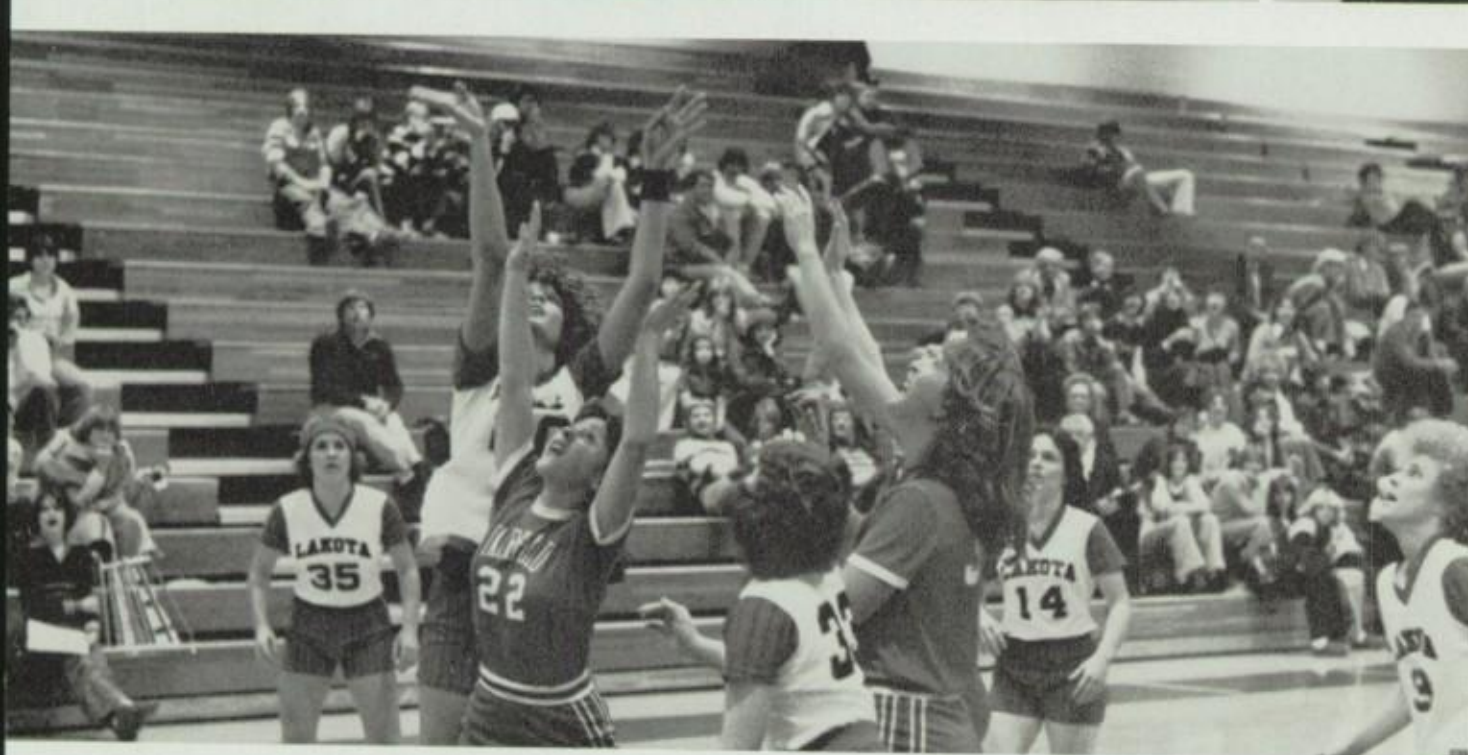

(Varsity Team) Front Row — Terry Coffing, Lynn Evers, Pam Adams, Sandra Wiles, Kerry Coffing, Coach Elfers. Back Row — Karen Hansen, Monica Janning, Kim Miracle, Lori Stephens, Laura Vradelis.

The Lakota girls basketball team finished its season under coach Greg Elfers with a 10-6 overall record and 5-2 in the Mid Miami League for a second place finish. Senior Pam Adams led the team in three categories. She averaged 16.8 points per game, 6.3 assists and six steals. Pam was also named to the All Conference First Team. Sophomore Laura Vradelis was second high scorer with 10.2 average. She was tops in

field goal percentage (49.8), foul shooting percentage (&78.0) and the second leading rebounder with an average of 11 per game. Laura received Honorable Mention on the All Conference team. Senior Lynn Evers, second team All Conference, was second in assists (6.1), had an average of five steals and scored 8.8 points per game. Senior Karen Hanson was the team's leading rebounder with an average of 12.

This years Girls Reserve Basketball Team brought hopes for future State Tournament Honors. The girls record was 11-3 on the year. Consisting of all freshmen except for one sophomore. The girls defeated teams like Fairfield, Talawanda, Taft and Madison. The team had speed quickness, and the ability to play good competitive basketball. They were lead by co-captains Kathy Van Fleet and Kim Stamper. As for their future in Varsity Ball, this group of girls will definitely bring much success in their bid for a State Championship.

1978 — another outstanding season for coach bob dalton and his lakota matmen

1978 was another outstanding season for Coach Bob Dalton and his Lakota Matmen. The regular season saw the T-Birds go 6-1 in dual meets, place 8th in the UC Tournament, 4th in the Butler County Tournament, 1st in the Lakota Invitational, and 2nd in the MML. Post season tournaments had Lakota 3rd in the Sectionals, 6th in the Districts, and 13th in the state. Outstanding individual performances highlighted the season as Chris Coffing became Lakota's first and Butler County's first State Champion. Captain Paul James was the first person to win 3 Butler County titles, while Coffing, James, and Phil Mortensen became the 5th, 6th, and 7th people in MML history to win 3 league titles. Other tournament titles won by Lakota are as follows: Coffing won the UC Tournament while being selected Most Outstanding Wrestler; Coffing and Mortensen won Butler County titles; the Lakota Invitational saw Lakota take 5 champs as Tim Brashear, Coffing (selected Most Outstanding Wrestler), James Mortensen, and Chuck Vitale (Most Pins Award) won titles Breshear won the MML being selected Most Outstanding Wrestler; and Coffing won his second Sectional title. Lakota qualified a team high of 7 people to the Districts: Breshear, Mark Chandler, Rick Sutton, Coffing, Gary Whitaker, James, and Mortensen. The following week they qualified a team high 4 people to the State: Sutton, Coffing, James, and Mortensen. At the awards banquet Chris Coffing received Most Valuable Wrestler and Most Pins Awards while being named next year's co-captain with Rick Sutton. Freshman Mark Chandler was Best 1st Year Wrestler while Tim Breshear received the Scholastic Achievement and Most Improved Wrestler while Tim Breshear received the Scholastic Achievement and Most Improved Wrestler award. Other varsity wrestlers that contributed to the teams effort this year include Marty Sapp, Kenny Taylor, Bill Butler, Dennis Courts, Rick Baker, and Frank Hlebak.

wrestling coach reflects on season

Lakota's Bob Dalton, in only his third year as the T-Bird wrestling coach, realized a 'coach's dream' last week when he watched junior Chris Coffing win the Ohio Class AAA wrestling championship at 138 pounds.

Another dream is to win the state title as a team. That isn't too far from reality as far as Dalton is concerned.

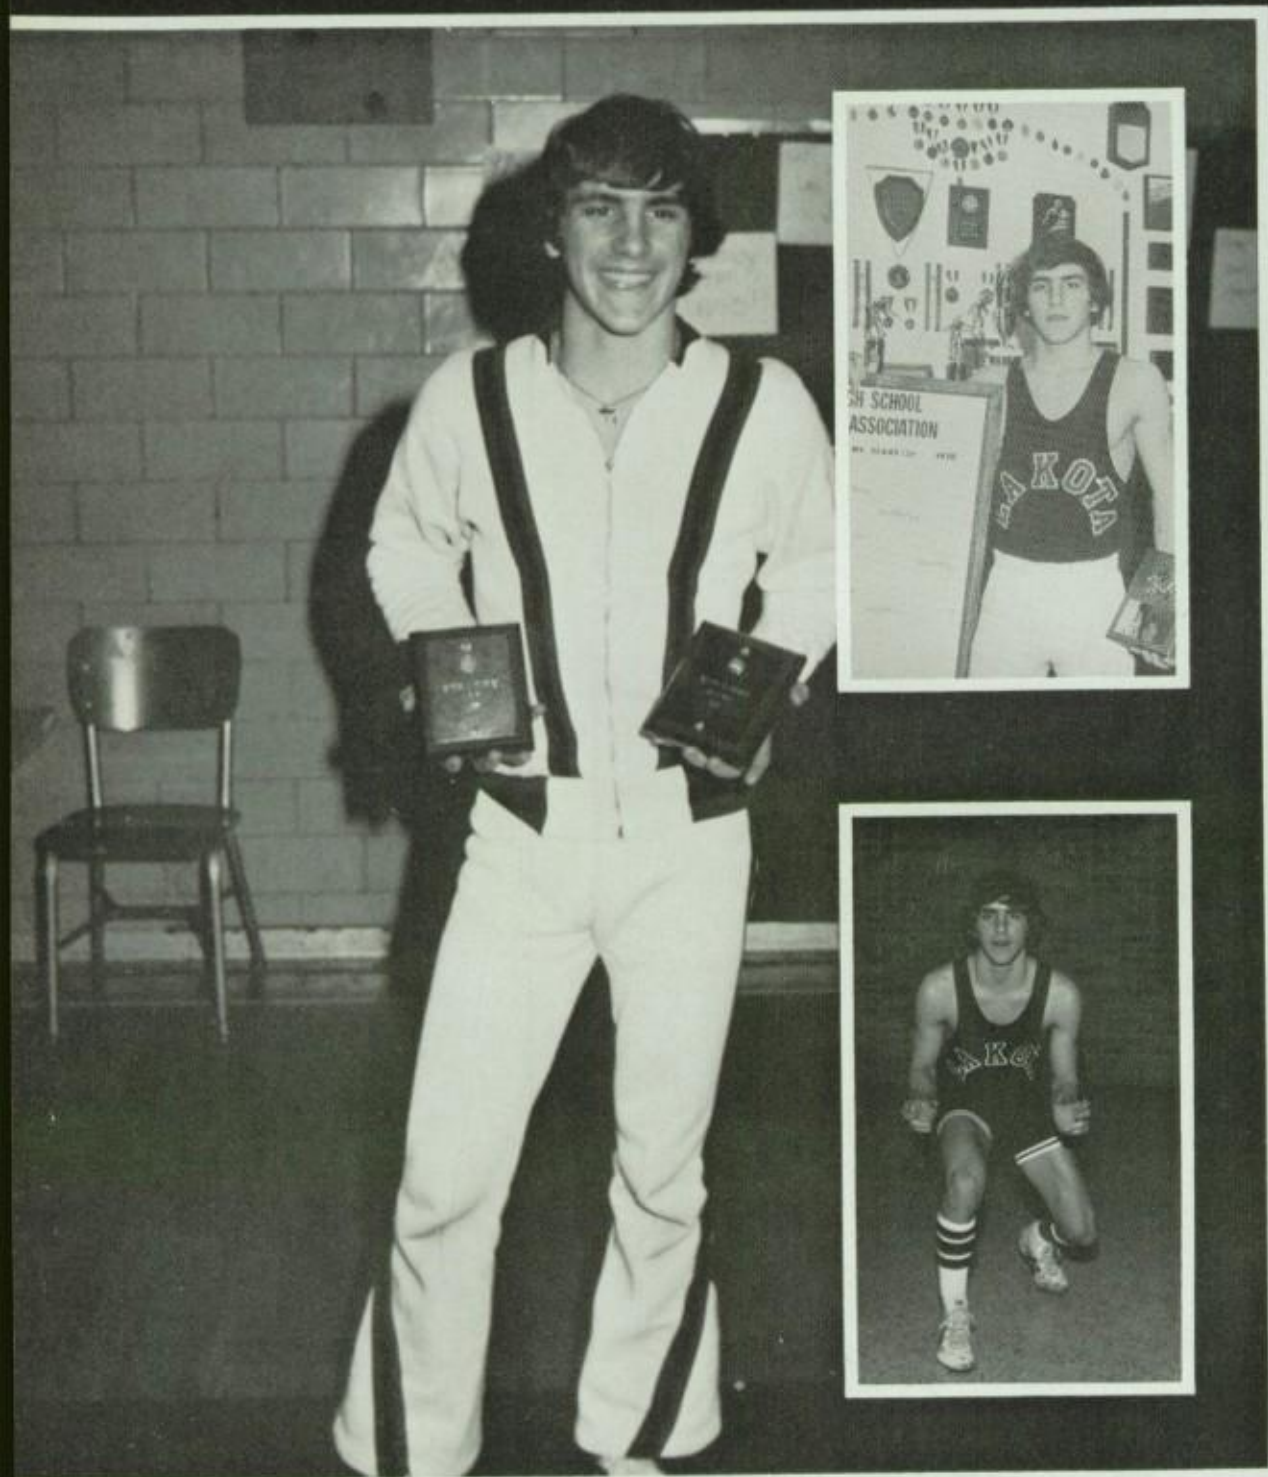

This is his third year at St. John's Arena and each time he brings an additional wrestler along.

Two years ago he had two boys and one placed. Last year three came along and two placed.

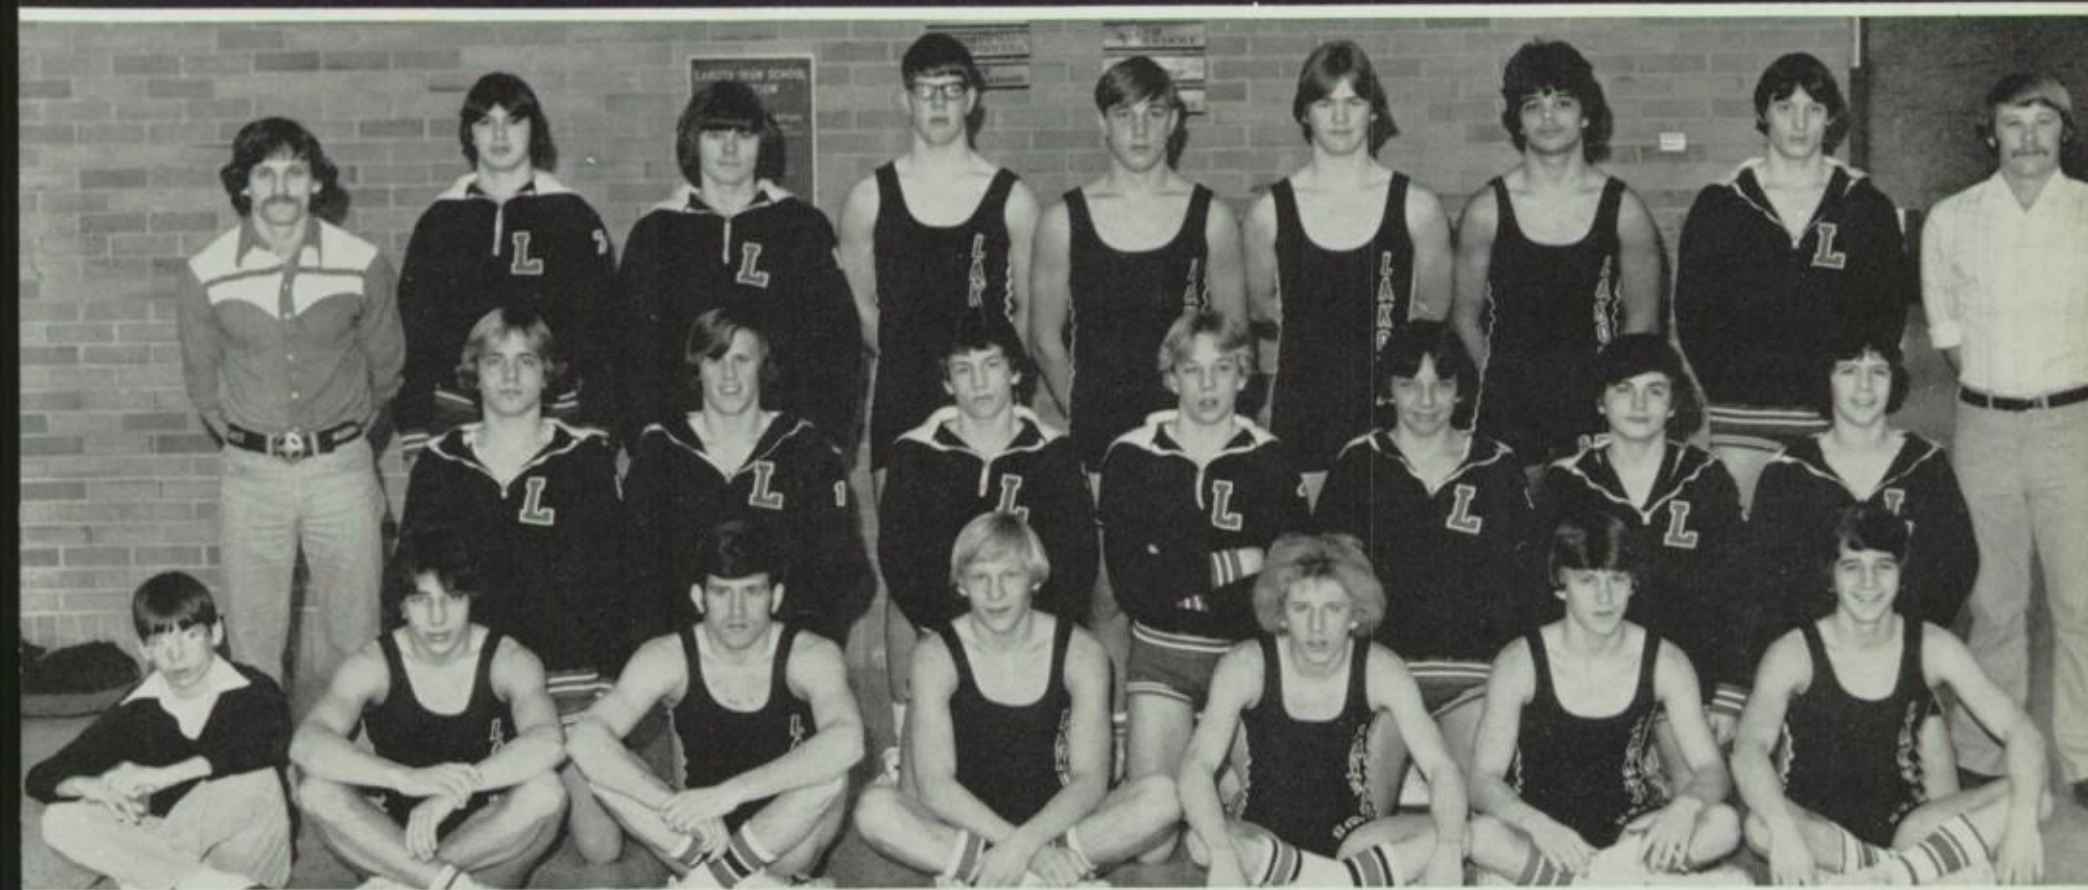

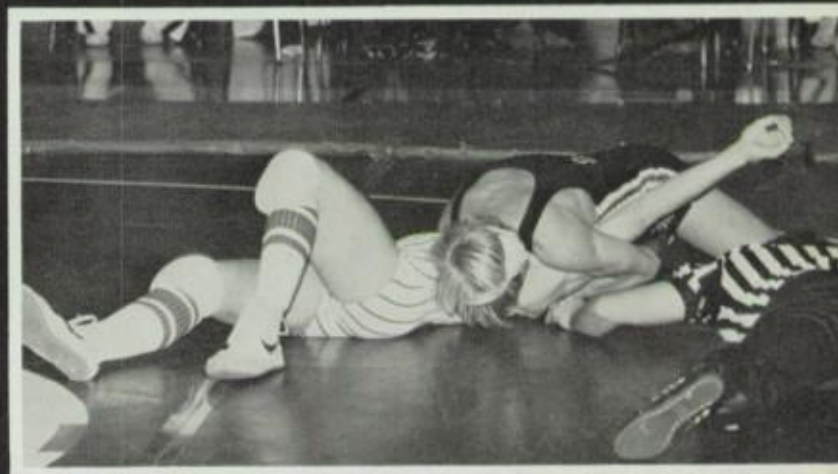

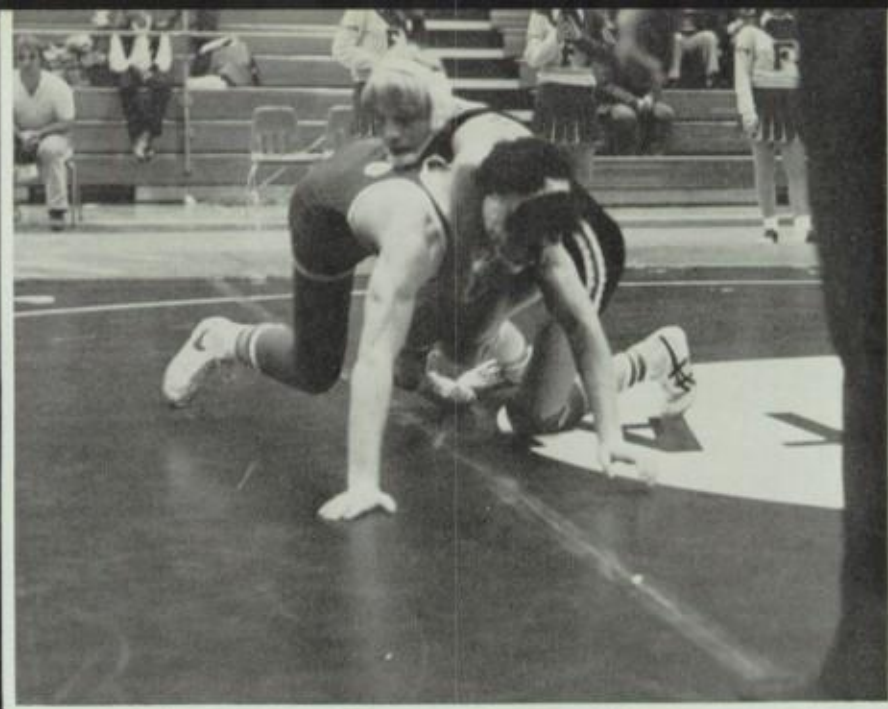

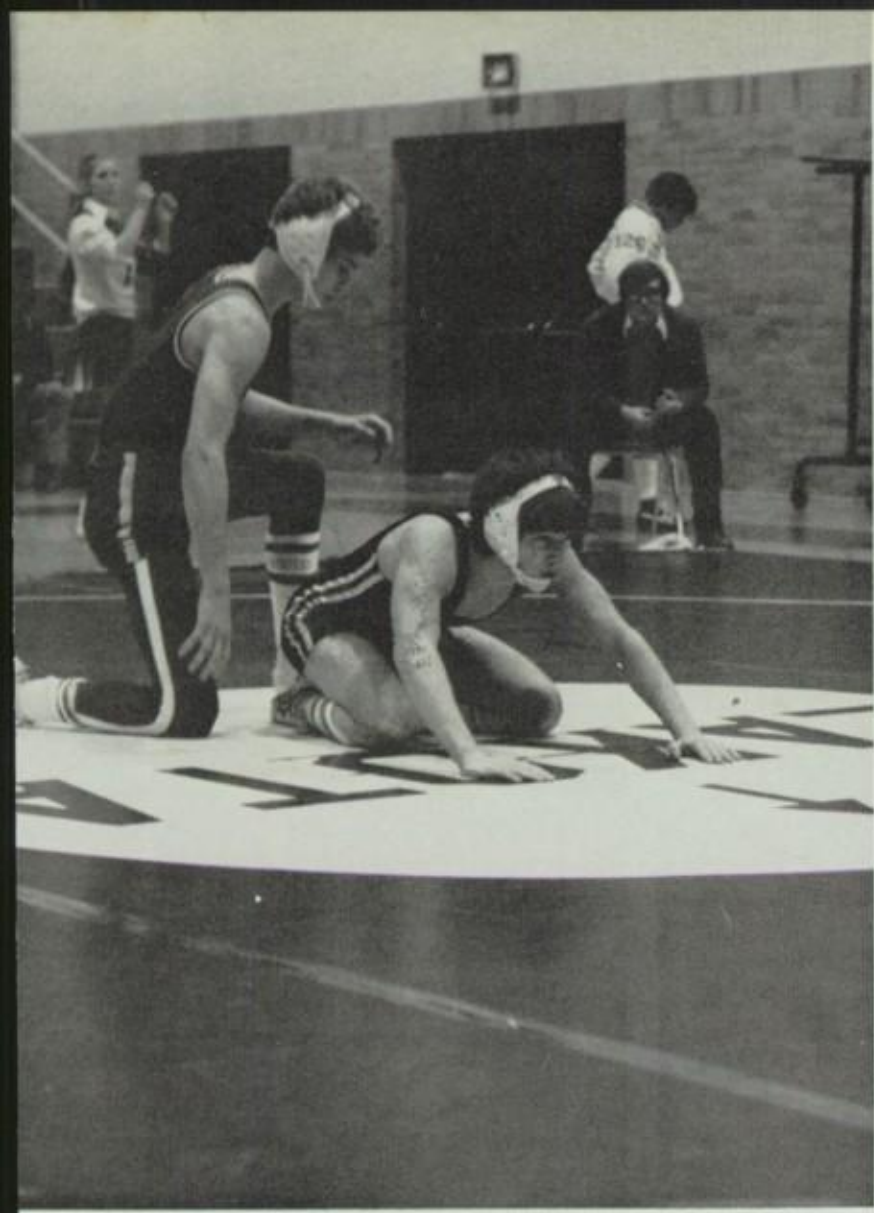

This year four Lakota wrestlers qualified for state competition. A first round win by three of the four plus Coffing's championship put Lakota in 13th place team-wise out of approximately 110 teams.

Lakota senior Pam Moore finished third in the all around scoring by only .05 behind the second place winner. Nancy Heck and Jani Ethridge won the floor exercise event with a first and second place respectfully.

Other top finishing T-Birds were Dana Schwab, who placed second in vaulting, and Holly Ream, who placed third on the balance beam.

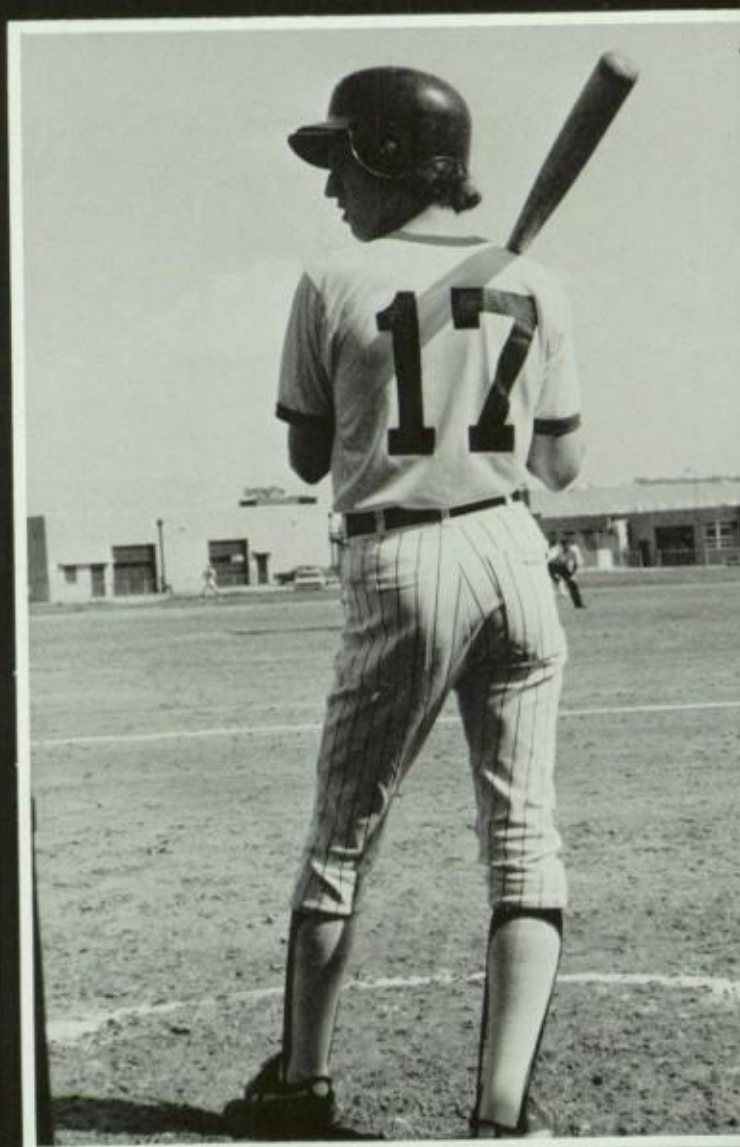

Members of the team also include Kay Lynn Spurlock and Chris Van Weldon, both placing in the uneven bar competition. Connie Hall and Kathy Keeling also contributed towards Lakota's victory.

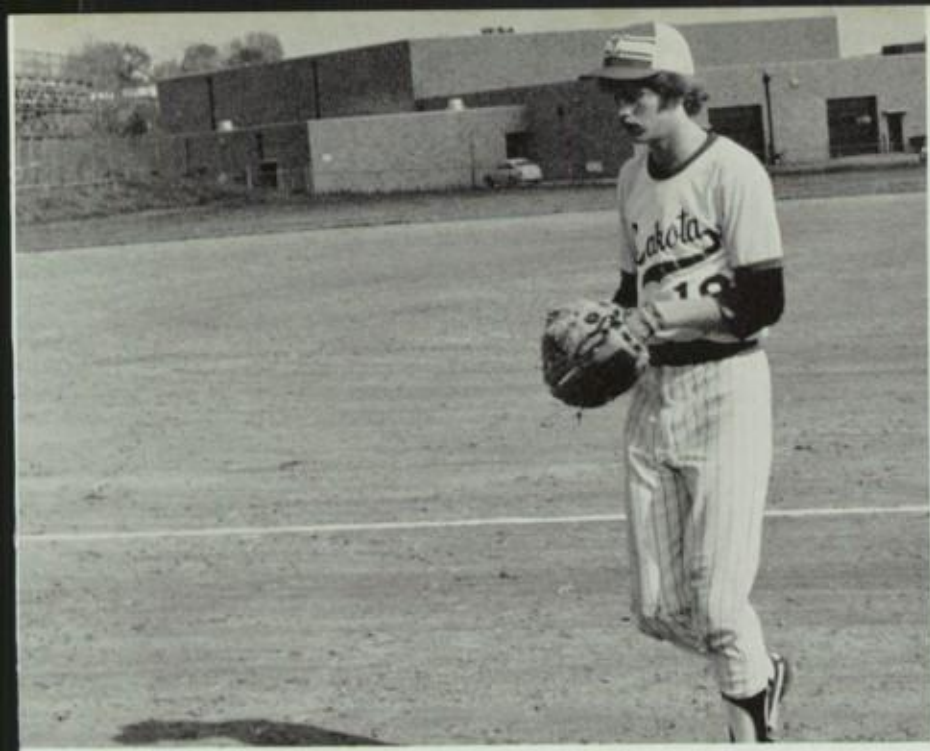

Lisa Kelly placed first on beam, second in vaulting and on bars, fourth on floor and second all-around gymnast Saturday in the District Meet. Lisa was defending district champion from last year and qualified for the state finals at Otterbein College on March 3 and 4.

In the district meet, Lakota's gymnastic team placed fifth out of 25 other schools. Under Coach Medlock who is also the district gymnastics chairman, the girls have had a great season. Congratulations!

lakota sports —
the
building of
strong
bodies and
keen minds

One of the most important roles of the Lakota High School Curriculum is to development a communication between each individual. Student activities in the class-room, the gym, the school grounds, and the halls is one of the best ways in which a student may develop an understanding into social living. Through working together, studying together, and competing with each other, the student acquires the art of living with his peers and the responsibilities of community life. Each of the various activities, whether it be musical, social, dramatic, or service, allows a student the opportunity to enrich his background, develop new and lasting friendships, and become an integral part of the life of his fellow classmates.

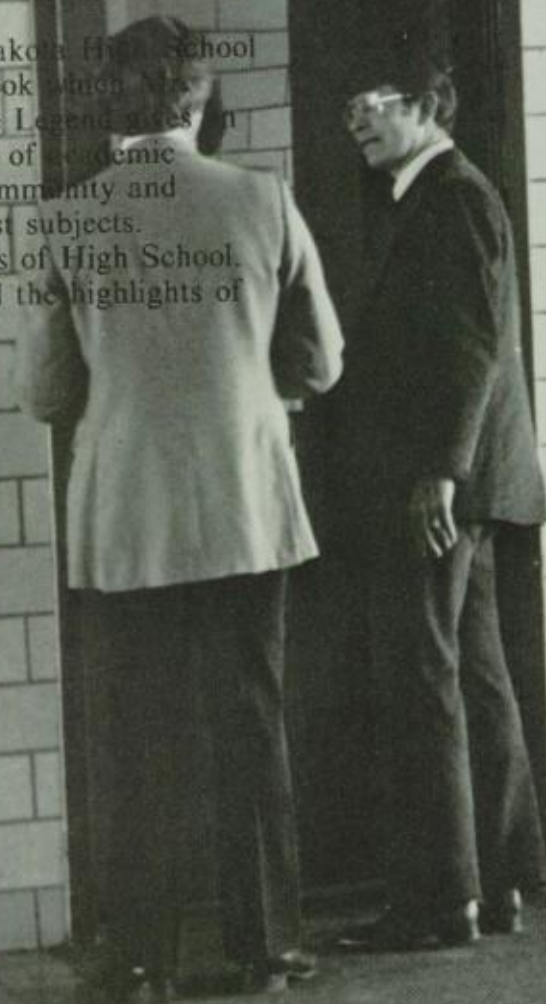

PEOPLE

The faculty and administration of Lakota High School appreciate the comprehensive yearbook which Mrs. Medlock and his staff produces. The Legend gives an indepth view of our school, all areas of academic pursuit, extracurricular activities, community and service projects, and common interest subjects. Students should cherish the moments of High School. The Legend serves as a record of all the highlights of a great year 1977-78.

The ending of the last period of the day at Lakota means only the beginning of the numerous clubs and organization activities. Whether it be a scan of future careers, a search into the realms of science, the cultivation of a foreign language, the provision of a needed service to the school, or just fun and friendship it always offers the student body an opportunity to acquire experience in leadership and a feeling of satisfaction for outstanding achievements. This association of students with varying backgrounds and interest provides rich experiences that are invaluable throughout life.

In April of '77, Lakota was chosen to host the Silver Anniversary of the Ohio Association of Student Councils. Lakota was chosen from among those applying for several reasons, according to Carolyn Hale, school advisor. "One of the main reasons was our active participation in student council at the state level," Carolyn said. "With the exception of one year, Lakota has been an OASC member since it opened in 1959. In recent years, Lakota has sent student delegates to the state conference and summer workshops and we've had students serve as discussion leaders and resource people at state conferences." Miss Hale said the local student council "had a strong desire to invite the OASC to our community. With the opening of Liberty Junior School this year and the increase in high school space, the facilities for hosting the conference were available. "Growth in the school community also made Lakota a likely choice. The increased size makes feasible the task of housing 700 delegates for the three day conference. This would have not been possible 10 years ago," she said. Lakota's student council also felt it had much to present in terms of program to council delegates, according to Miss Hale. "Along with the council's leadership program, Lakota is proud to boast of the Lakota bands and vocal groups which will be participating in the conference activity." Hosting the state conference will be a realization of a dream of advisor Hale. As a student council member and student body president back in the mid 60's, Miss Hale wanted to host the OASC Conference. "At that time," she said, "although the desire was strong, the school district was just too small and lacked the facilities for such a large group. I'm excited about the possibilities. We can impress anybody. And it won't be just for show. We've got a lot to give." Miss Hale is currently serving a four year term as a member of the OASC executive committee. In her "humble, but proud," opinion, she says, "Lakota High School has one of the best councils in the state."

vocal
department

The Lakota Vocal Department presented its fall concert on November 3, 1977, at Lakota High School. The concert, under the direction of Mrs. Cheryl Raine, was very enjoyable. Congratulations should go to the Ensemble with a special recognition to soloist Kathy Fair and duettists Randy Crawford and Bev Drinnon. The Freshman Chorus did a good job for their first performance as an organized group and promise to provide some fine entertainment for the Lakota community. Also participating in the concert were the Triple Trio, Mixed Chorus and the Senior Choir. The Lakota Vocal Department is hard at work preparing for the upcoming Christmas Concert on December 20, 1977, in the Lakota auditorium. The concert will include Christmas carols and novelty songs along with those songs that express love for mankind and our need for peace. This concert will include the Ensemble, Freshman and Senior Choirs, Triple Trio, Barbershop quartet and freshman Triple Trio. According to Mrs. Cheryl Raine, concert director, some of the special features will include "White Christmas," "Amahl and the Night Visitors," and "Looking Through a Toy Store Window." The duties of lab aids include such diverse activities as preparing lab materials for other classes, caring for the instruments and wildlife under the care of the science department, and anything else which needs to be done at the time.
